Health Professions Education

Who we are

The Health Professions Education Foundation (HPEF) is a state non-profit established in 1987. Since 1987, HPEF has awarded more than 14,721 scholarships and loan repayments totaling more than \$169.7 million to California health professionals serving in all 58 counties in areas of unmet need.

Our Mission

HPEF aims to improve healthcare in underserved areas of California by providing scholarships and loan repayments to those who are dedicated to providing direct patient care in those areas.

A look at our programs

HPEF offers 12 scholarship and loan repayment programs to students and health professionals who agree to provide direct patient care for one to three years in California's underserved communities.

What is a Qualified Facility?

- Medically Underserved Area (MUA)
- Medically Underserved Populations (MUP)
- Primary Care Shortage Areas (PCSA)
- Health Professional Shortage Area Primary Care (HPSA-PC)
- Federally Qualified Healthcare Centers (FQHC)
- County Facilities, Veterans Facilities, Correctional Facilities & Indian Health Centers
- For RN Awardees Only - Registered Nurse Shortage Area (RNSA)

How to Determine if a Facility Qualifies

Medically Underserved Areas

Location eligibility search

Choose a program in the dropdown list. Enter an address into the search bar below to determine whether the worksite falls in a qualifying shortage area. If the worksite in question does not show as qualifying in the search bar, but is a veterans, county or state facility and/or federally qualified health center or Indian health center, it may also qualify. If this is the case, please contact a member of our [program staff](#) to verify.
